DOWNTOWN *Rehoboth Beach*

THE BEACH

Rehoboth Beach is 1.5 miles long and is located on the Atlantic Coast of Delaware – three miles south of the mouth of the Delaware Bay and 17 miles north of the Maryland state line. Being in close proximity to our Nation's Capital, Rehoboth Beach is known as the Nation's Summer Capital.

Rehoboth Beach is open to the Atlantic Ocean but usually receives low to moderate surf. Wooden groins (jetties) that extend into the ocean serve to reduce beach erosion. Water temperature ranges from mid to upper 50s in late May to a high of 70 degrees in late August. The beach is open access to the public with no tags or fees.

THE BOARDWALK

Experience the mile-long boardwalk for morning biking, strolling or jogging. The boardwalk also offers sights of beautiful sunrises, frolicking dolphins, birds and other natural attractions.

Families enjoy all that Rehoboth's boardwalk has to offer: outdoor concerts, miniature golf, amusement rides, arcades, pizza, fries and ice cream, t-shirts and flip-flops, outdoor dining under the stars – and memories made.

REHOBOTH BANDSTAND SUMMER CONCERT SERIES

The Rehoboth Beach Bandstand Summer Concert Series takes place from mid-June through Labor Day Weekend and has provided FREE entertainment for Rehoboth Beach and its visitors since 1963! Each year, over 40 bands are selected to perform in an open-air concert venue just steps from the beach. The goal of the Rehoboth Beach Bandstand is to provide entertainment through music, movies, variety acts, and other local, regional, and national performances.

History

REHOBOTH BEACH'S HISTORIC PAST

The City's origins go back to January 27, 1873, when "The Rehoboth Beach Camp Meeting Association of the Methodist Episcopal Church" was founded here to provide for summer religious gatherings. With the coming of the railroad in 1878, the growth of the community accelerated. On March 19, 1891, an act was passed incorporating the municipality as Cape Henlopen City. The name was formally changed to Rehoboth in 1893. Since its founding the City of Rehoboth Beach has continued to be one of the most popular resorts on the Atlantic coast, attracting thousands of visitors each year.

Museums and Historical Sites

REHOBOTH BEACH MUSEUM
511 Rehoboth Ave / 302-227-7310

Located in Rehoboth Beach’s former ice house, the Rehoboth Beach Museum is the main way in which the Rehoboth Beach Historical Society celebrates the founding and history of Rehoboth Beach. Exhibits range from vintage postcards and bathing suits to original Civil War era maps and train schedules. All visitors to Rehoboth Beach are invited to stop by the Rehoboth Beach Museum to learn more about the rich, distinct history of this special little corner of the world.

REHOBOTH ART LEAGUE
12 Dodds Lane / 302-227-8408

The Rehoboth Art League was formed in 1938 in Henlopen Acres, as a place where artists could teach, gather, and exhibit their work. They boast more than 1,000 members who live across the county, offer more than 150 classes each year, annually hold more than 20 solo and group exhibitions of artwork, and produce special events such as our Salons, the Annual Cottage Tour, and our Outdoor Fine Art Show.

ANNA HAZZARD MUSEUM
17 Christian Street

Anna Hazzard, the namesake of the museum was secretary of the Women’s Christian Temperance Union, the first woman to receive a real estate broker’s license in Delaware and president of the Rehoboth Art League. She lived to be 90 years old and forever changed the history in Rehoboth Beach. The Anna Hazzard house is one of the original religious camp meeting tent houses dating from the 1890’s. It is an incredible demonstration of early American life. A tour features additional artifacts and memorabilia from that era.

GROVE PARK
Located at the intersection of Columbia Avenue and Grove Street near the Visitor’s Center and Rehoboth Beach Museum, Grove Park is fun for all. There is a tot lot play area for children and circuit work out equipment for adults. It is surrounded by a wide paved walking path, has two pavilions for gatherings that are available to rent, restrooms, shuffleboard courts, and many benches in the shade. Grove Park is also home to the **Rehoboth Beach Farmers Market** on Tuesdays.

STOCKLEY STREET PARK
This 3-acre park is located on Stockley Street just west of Scarborough Avenue. The park has several benches that provide a view of Silver Lake and a tot lot play area for children. This park is also home to Turtle Bridge, which spans Silver Lake and connects the park to Rehoboth Elementary and the Schoolvue neighborhood. The bridge provides the perfect vantage point to observe turtles swimming in the water and sunning themselves on logs.

LAKE GERAR PARK
Lake Gerar is a diverse 15-acre park around a freshwater lake that contains a children’s play area, a fishing pier, trails and open space. It’s located at the intersection of Lake Avenue and First Street. There is a shaded playground at the northeast section of the park near Henlopen Hotel. A swing set and picnic table is at the lake’s west end near the intersection of Olive Avenue and Lake Avenue. The city’s Italian garden, **Navigator’s Park**, is also located at the west end of the lake.

BIKE THE BOARDWALK

Stretching a little more than a mile, the Boardwalk is an easy ride with a spectacular view. Biking on the Boardwalk is allowed from dawn to 10am from Mid-May to Mid-September. For the balance of the year, biking is permitted all day.

LEWES-REHOBOTH BIKE LOOP

When you want to set out away from town and the Boardwalk, enjoy this stunning 17-mile Loop which encompasses two trails: **The Junction and Breakwater Trail** with **Gordons Pond Trail**. The trail itself is fairly flat and composed of mostly crushed stone. You will find along this scenic route an observation deck that overlooks Gordon's Pond and the ocean as well as a half-mile long, elevated boardwalk over dunes and wetlands. Part of the loop explores the pristine Cape Henlopen State Park, located on the former Fort Miles site, where you can experience coastal forests, grassy marshes, and sandy dunes. Take a break and climb a World War II watch tower with a 360 degree breathtaking view. Explore ammunition bunkers built into the dunes. Afterwards, meander through the **Walking Dunes Trail** which offers stunning views of the mouth of the Delaware Bay.

BIKE SOUTH OF REHOBOTH BEACH

Also available for the cyclist is 12 miles of long, straight and flat bike lane along Rt 1 between Dewey Beach and Fenwick Island. Delaware Seashore State Park runs along most of the stretch of Coastal Highway One between Dewey and Bethany beaches. The park encompasses marinas, fishing piers and miles of wide beaches, all accessible by bike from the wide shoulders of the highway.

Look for bike entrances along the west side of Coastal Highway, and you'll enter the three-mile **Prickly Pear Trail**, which loops through the woods and marshes around Fresh Pond. The end of the trail offers great views of the pond itself.

Other highlights of the park include the 19th-century Indian River Life-Saving Station Museum and the **Burton Island Trail** located just north of the marina. Burton Island Trail is a 1.5 mile trail that winds through salt marshes and a forest of protected nesting grounds for the diamondback terrapin. Picnic pavilions are in the park.

*Rehoboth Beach Main Street members are in bold...
thank you for your support!*

Downtown Rehoboth Beach small businesses are part of the “Heart of America” and also the core of our local economy. As a downtown guest, it is in your best interest to support our locally owned businesses downtown.

*Support our
downtown
businesses and
join us in
keeping our
one-of-a-kind
beach town
thriving.*

It is very difficult for a small business to compete with big brands and their multimillion-dollar advertising budgets. Choosing to go to a big box store and buy goods and services in one sweep may be easier and cheaper but doing this most of the time hurts our downtown businesses and diverts cash flow from our local economy. The local economy is composed of people just like you, working together, doing what they love. In addition, small businesses create jobs and help make our sweet little village by the sea a vibrant place to visit, live and work.

Our local businesses are owned and operated by our friends and neighbors! They all care about you as a consumer and are invested in the well-being of our community and its future. Supporting and buying from our downtown businesses lets them know you appreciate their hard work and it may possibly be the difference of them thriving or crashing. Thank you for shopping locally and shopping small...
We appreciate your business and appreciate you as our guest.

Open Air Restaurant Seating

DOWNTOWN REHOBOTH BEACH

In the spring, summer, and fall, the weather can be so lovely. Most downtown guests love sitting outside while sipping on coffee, grabbing a drink or a bite to eat. The outdoor restaurant seating is plentiful downtown and can take your experience to another level. Outdoor seating spaces provide a great opportunity for all guests! Guests who have mobility issues may find it easier to access an outdoor restaurant especially if they are using a wheelchair or walking aid. In some of the outdoor dining areas guests are welcome to bring their leashed dog.

When walking on the side streets you will see an inviting atmosphere of people dining, chatting, and having a good time. At night, a more intimate display of warm lighting and candles on the tables can create an inviting environment and lasting memories!

CAMP Rehoboth

is dedicated to creating a positive environment inclusive of all sexual orientations and gender identities in Rehoboth Beach and its related communities. We seek to promote cooperation and understanding among all people, as we work to build a safer community with room for all.

CAMP Rehoboth was founded by Murray Archibald and Steve Elkins and an organizing team of volunteers in 1991. Since its founding thirty years ago, CAMP Rehoboth has continued to live up to its mission of supporting the arts, developing health programs, fighting discrimination, promoting political awareness, hosting sensitivity training, and developing good relationships with the local media, police, government and community. It is often called the heart of the community.

Our organization has seen incredible growth over the many years of service. Our newsletter, Letters, is perhaps the most visible part of the CAMP Rehoboth operation. It is distributed well beyond our local area.

Our office is open seven days a week during the summer season and has become an unofficial chamber of commerce and resource center for Rehoboth's Lesbian, Gay, Bisexual, and Transgender (LGBT) visitors.
